

# Mounting kit SMBR-8-25

Part number: 175096

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                            | Value                                                                                                                                                                                                                             |
|----------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Size                                               | 25                                                                                                                                                                                                                                |
| Corrosion resistance class CRC                     | 2 - Moderate corrosion stress                                                                                                                                                                                                     |
| LABS (PWIS) conformity                             | VDMA24364-B2-L                                                                                                                                                                                                                    |
| Suitability for the production of Li-ion batteries | Metals with more than 5% by mass of copper, zinc or nickel by mass are excluded from use. Exceptions are nickel in steel, chemically nickel-plated surfaces, printed circuit boards, cables, electrical plug connectors and coils |
| Ambient temperature                                | -20 °C ... 70 °C                                                                                                                                                                                                                  |
| Material profile                                   | Wrought aluminium alloy                                                                                                                                                                                                           |
| Note on materials                                  | RoHS-compliant                                                                                                                                                                                                                    |
| Material retaining bracket                         | POM                                                                                                                                                                                                                               |
