## Data sheet

| Feature                        | Value  |
|--------------------------------|--|
| Size                           | 12/16  |
| Mounting position              | optional   |
| Variants                       | High corrosion protection                          |
| Corrosion resistance class CRC | 3 - high corrosion stress                          |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                                  |
| Product weight                 | 22 g   |
| Note on materials              | RoHS-compliant                                     |
| Material mounting              | Wrought aluminium alloy<br>With protective coating |
| Material bolt                  | High-alloy stainless steel                         |
| Material sleeve                | Spring steel                                       |
| Material bearing               | Polymer  |
| Material screws                | High-alloy stainless steel                         |
| Material lock                  | High-alloy stainless steel                         |
| Material shaft                 | High-alloy stainless steel                         |
