

# Suction cup complete holder ESH-HD-3-QS

Part number: 189237

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                   | Value   |
|---|---|
| Height compensator for suction-cup holder | 6 mm  |
| Nominal size                              | 3.3 mm  |
| Volume                                    | 0.573 cm <sup>3</sup>                           |
| Mounting position                         | Vertical  |
| Design                                    | Vacuum port on side<br>With height compensator  |
| Correlation to suction-cup holder         | Size 3  |
| Operating medium                          | Atmospheric air based on ISO 8573-1:2010 [7::-] |
| Corrosion resistance class CRC            | 1 - Low corrosion stress                        |
| LABS (PWIS) conformity                    | VDMA24364-A1-L                                  |
| Ambient temperature                       | 0 °C ... 60 °C                                  |
| Product weight                            | 46 g  |
| Type of mounting                          | Via lock nut                                    |
| Suction cup mounting                      | M4  |
| Vacuum connection                         | QS-6  |
| Note on materials                         | RoHS-compliant                                  |
| Material seals                            | NBR<br>Steel                                    |
| Material retaining bracket                | Tempered steel<br>High-alloy steel              |
